

META

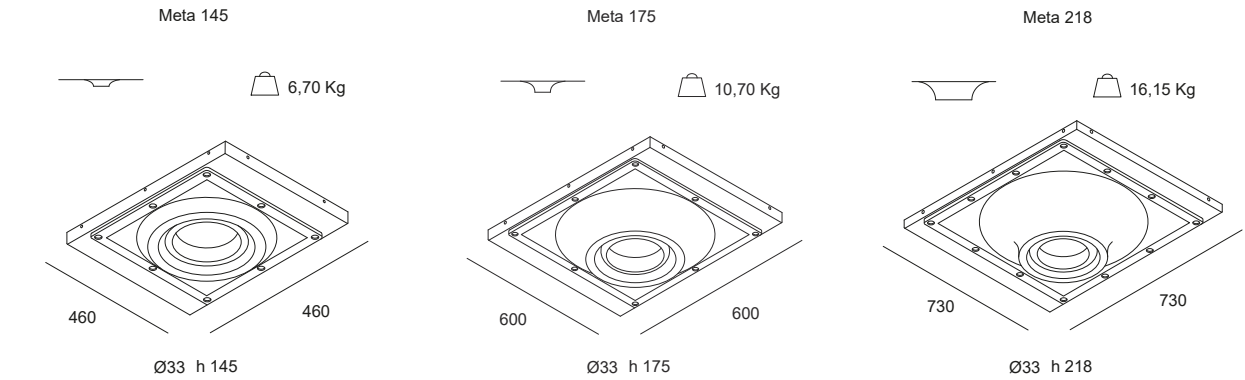

STUDIO ARCHEA - ARCHITETTO MARCO CASAMONTI

META | calco per incasso a rasamento

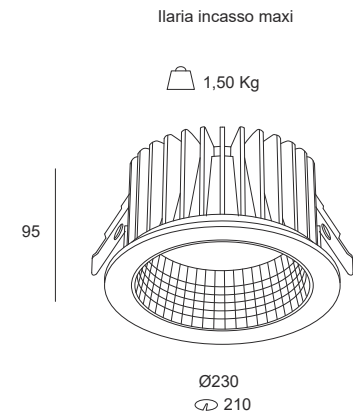

The evolution of resin processing has allowed the creation of new fixtures suitable for professional lighting of commercial, work and exhibition areas. The META range of luminaires fits perfectly into ceilings, creating suggestive scenographies with light. The body made of plaster and thermo-resistant resin for flush mounting was specially designed and built to house the ILARIA 230mm 33W recessed luminaire and is available in three different heights (145mm, 175mm and 218mm).

Note
The product is supplied complete with installation kit, including fixing pins.
