

A photograph of a modern building at dusk. The building's facade is composed of large, light-colored rectangular panels. Several small, square windows are embedded in the wall. The building is illuminated by warm, recessed lighting fixtures that cast a soft glow on the panels and create long, vertical shadows. In the foreground, a courtyard with a checkered tile pattern is visible, reflecting the ambient light. The sky is a deep, dark blue, suggesting twilight. The overall mood is serene and architectural.
